Howdy Folks!

Christmas is over or at least three of them for Margie and I.

What with travel, etc. we are having *Christmas* events from December ninth to January third. On Christmas day we Facetimed with daughter Holly and her hubby Lt. Col Cook in Hawaii. That worked quite well. Christmas with Heather's family will be live and here on January third assuming they safely make the trek (by car through the teeth of the storm) from Long Island! In addition, we had a bunch of holiday parties to attend. Margie had one at her office on Friday the 14th. That night it was the Albuquerque Gem and Mineral Club party and installation of the 2019 board of directors at the New Mexico Museum of Natural History. Saturday we hosted the party for the New Mexico Faceter's Guild at our home. And, finally, we attended the Christmas Brunch at the Mountain View Club where we got to see many of you!

The Year 2018 rapidly came to a close - with a Blizzard! I hope all of the Coronado Thunderbirds stayed warm and cozy.

Our January 8th meeting will include the installation of our Board of Directors for 2019. We are looking forward to interesting presentations at our monthly meetings next year. Look elsewhere to find what's cooking for January and February compliments of Lionel Holguin and George Oltman. All of us appreciate your suggestions for programs. What else do you want to see?—let us know!

According to Pete Havey, the DBIDS card system is working pretty well. Pete will email or call you when your paperwork has been submitted for the badge office to process it. Then it takes 7 to 10 to 14 days to get the badge created. And the Truman Visitors center is now open 24/7! But try to go during normal hours so there is someone at the badge office who can complete your badging process. Do remember to start the

DBIDS card process early as it does take a while for the process to finish. You have to start with (what else is new!) paperwork. This you have to get to Pete and he does his part of the processing to get the paperwork to the Air Force.

Remember - we can always use people for the Board of Directors. All people in the positions have served multiple terms and would appreciate new help!

I sure hope that this President's Message finds all of you OK! I sincerely hope that you had a wonderful Holiday season, each and every one.
